Mysore
Geological Departt

To the Dewan of Mysore for orders.

Subject:- Medicine Chests for the
Geological Department.

I beg to resubmit my Memo No. 75 dated 2nd December 1905, regarding the supply of Medicine Chests to this Departt together with the Comptroller's Memo No. 90, dated 9th December 1905, wherein he says that no cash payment is required in the case of supply of medicines by the Government Medical Stores. He also states that all that is required to be done in the matter is to authorize the Medical Stores to issue medicines on indents to this office. A draft order to the Senior Surgeon is submitted herewith for approval and kind return to this office, for information and transmission to the Secretary to Government, General and Revenue Departts for issue from that Secretariat.

"note" Compl
no 90 & 9/12/05

There is no objection to employees of the Geological Survey department being supplied with medicines at Govt cost when they are working in out-of-the-way places where there are no dispensaries to minister to their wants.

But there can be no cash payment for this purpose and the charge or the cost of the medicines should not appear in the accounts of the Geological Department.

All that is required is that the Govt medical stores should be authorized to issue medicines on indent from the Geological Secretary for the use of his men working in out of the way -- places. These indents will be complied with after being checked in the Stores department with reference to the number of men and the time for which they may be away and complied with but no -- cash payment will be claimed nor any charge made.

Received

General No. 1285--

Enclosure No. one file

Has the honour to forward herewith this Office Memo No. 82 dated the 13th instant together with the connected file of papers regarding the supply of medicines to this Department by the Govt. Medical Stores, and to request that the draft order as approved by the Dewan may kindly be issued from the General and Revenue Secretariat and the papers returned to this Office after the needful has been done.

2. As the medicines are required by the Officers of this Department who are already in camp

the issue and communication of very early orders is requested.
